

CONGRATULATIONS

We would like to send out a very special Congratulations to our very own Terry Downham, Sports Information Director, for his award presented at the Indiana Basketball Coaches Association clinic on Friday night.

Mr. Downham was presented with the Virgil Sweet award which is presented to those who have provided meritorious service in the promotion of basketball across Indiana. The award is named in honor of Sweet, the former Valparaiso High School basketball coach and former executive director of the IBCA. Congratulations Terry!
